

# CAPABILITIES STATEMENT

le'fant  
We Never Forget

Le'Fant, LLC is a Historically Underutilized Business Zone (HUBZone), Service-Disabled, Veteran-Owned Small Business (SDVOSB) firm. We are ISO 9001:2015 Quality Management System certified and have been designated for a fifth year in a row as a "Great Place to Work." We have successfully managed mission critical programs that drive measurable results for Veterans.

Key leaders within our company have led some of VA's highest priority modernization and transition initiatives, such as management and oversight of the VBA Veterans Benefits Management System (VBMS) modernization and the VBA IT change management program. Additionally, our leadership led the DoD and VA in successfully developing, implementing, and rolling-out some of the largest and most complex programs in the Federal Government to include executing the Improved DES (IDES) and the Transition Assistance Program (TAP).

Le'Fant's corporate expertise spans areas including Management Consulting, Information Technology (IT), analytics, operations management, and research. Our dedicated professionals deliver high quality and cost-effective solutions to complex problems in the government services sector. Through our depth of resources, innovative solutions, and commitment to quality, we manage programs from start to finish, in the most efficient and productive manner, as evidenced by our outstanding CPARs.
